INCREDIBLY HIGH STANDARDS, STANDARD.

Purchase a Mazda Certified Pre-Owned vehicle and we'll throw in your confidence for free. The confidence to greet every turn, on-ramp and green light with the wild abandon of a Mazda owner. It all starts with extreme standards that ensure only well-maintained, recent model vehicles are even considered to make the cut.

And if a vehicle's got what it takes, it then faces a rigorous 160-point inspection. Major and minor components are scrutinized, and only then, after it passes the inspection, is the Mazda ready to pass everything in its path. Stringent? Yes. And why a Mazda Certified Pre-Owned vehicle offers the certified thrill of owning a Mazda at a pre-owned value.

COMPREHENSIVE 160-POINT INSPECTION

How do you measure commitment? Meticulously. Each Mazda Certified Pre-Owned vehicle has passed a comprehensive 160-point inspection, which means everything under the hood - and above the hood - is analyzed by factory-trained technicians. From brakes to transmission to A/C and heating, this is how we ensure every vehicle will look and perform like a new Mazda. It's a process we take very seriously and we set our standards high. If a vehicle doesn't meet these standards, it'll undergo a thorough reconditioning until it's worthy of sporting the Mazda badge.

*Coverage begins from the original retail sale date and covers 7 years/140,000 kilometres, whichever comes first.

7-YEAR/140,000 KILOMETRE LIMITED POWERTRAIN WARRANTY

With our 7-Year/140,000-Kilometre Limited Powertrain Warranty, every Mazda Certified Pre-Owned Vehicle is covered from the original new retail sale date with no deductible. That means you can drive worry free knowing that Mazda Dealers nationwide will repair or replace any covered part. See Dealer for complete details.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE

Where would you store a security blanket that covered you everywhere in Canada and the Continental United States? How about the glove compartment? Mazda Certified Pre-Owned vehicles are covered - 24 hours a day, 7 days a week - with the complimentary Mazda 24-Hour Emergency Roadside Assistance Program. You're automatically enrolled in the program for the duration of the Certified Limited Powertrain Warranty period.

ZERO DEDUCTIBLE

Both you and your wallet are covered by the Mazda Certified Pre-Owned Vehicle Limited Warranty. We're sure you'll love your Certified Pre-Owned Mazda. With the Mazda Exchange Privilege, we back it up with a guarantee. FULLY INFORMED. FULLY SATISFIED

Just to make sure there are no skeletons in the glove compartment, each Mazda Certified Pre-Owned vehicle comes with a CarProof® vehicle history report. It provides valuable information on registration information and checks for potential problems such as frame, fire or water damage, odometer issues and much more. It lets you see that you're getting a quality Mazda that meets or exceeds expectations.
